BRIDGING THE GAP 2020

THE GAP COMMUNITY

Prepare the future architects dealing with the future challenges.

The course aims to discover the importance of architectural education and its impact on the quality of life.

Discussions & Democratic Decisions

Process:
1- Expect a complex problem facing the community.
2- Initiative to solve it, using an architectural solutions.
3- Provide a pilot projects.

Celebrating The World Heritage Day

Since 2015, the author organized a celebration with the Bibliotheca Alexandrina for the World Heritage Day. He chose the slogan "Future Heritage" for the celebration of (2019).

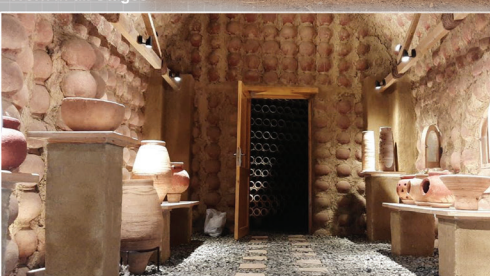

The ceremony was included a group of activities between the fields of (children - education - practice - culture), and the two work programs, the first is AH-CI "Architectural Heritage - Cultural Identity | Egypt, and the second is Architecture and Children | Egypt.

Upgrading and Establishments POTTERY WORKSHOPS
Nazla Village, Fayoum Governorate

This experience is a good application for the future heritage vision. An architectural project aimed to revive a distinct heritage by restoring this heritage to be a cultural product again.

Participatory Work in all Stages

The idea relied on building with the traditional methods used by the people of the region in the past, while developing it with advanced science.

CULTURAL PRODUCT

All the worlds. Just one world
Architecture 21
